Learning is a lifetime adventure!

January 23, 2002

I found this to be a very lovely book. I didn't want to finish reading it, so when I did, I started reading it over again and found it to be just as enjoyable the second time. In fact, I am planning on reading it again! Joanne shares some of her own experiences in life, which any of us can relate to with no problem. It makes a wonderful gift, as there is something in it for everyone.
